About Us

Who We Are

Effective Human Intervention (EHI) is a global leader in the field of comprehensive training solutions. Established in May 2007 by our founder, Callie Kruger, EHI has evolved to become a trusted provider of high-quality and industry-relevant courses, covering a wide spectrum of disciplines including electrical, mechanical, production, instrumentation, and soft skills.

Our Founder

Callie Kruger, with a keen eye on industry trends and a commitment to compliance training, laid the foundation of EHI. His vision was to assist clients in maintaining their professional standards and competitiveness through cutting-edge, up-to-date training programs delivered by industry experts.

Our Evolution

EHI initially focused on short courses designed to empower engineers with valuable CPD (Continuing Professional Development) Credits. Over the years, our course offerings have expanded to cater to a diverse range of professionals across various industries. Today, our clientele includes Maintenance Managers, Safety Practitioners, Artisans, Millwrights, Electricians, Contractors, Maintenance Supervisors, Planners, Technical Superintendents, OHS Managers, and many more.

Our Commitment

At EHI, we are committed to delivering training programs that are not only relevant but also flexible to meet the ever-changing demands of industry. Our aim is to empower individuals and organizations with the knowledge and skills they need to excel in today's dynamic business landscape.

Callie Kruger

Callie Kruger, the founder of Effective Human Intervention, is deeply passionate about his business. He is widely recognized for his unwavering commitment to fairness, trust, and respect in all his dealings, whether with clients, facilitators, or staff. His leadership sets the tone for our company's culture, and his dedication is reflected in every aspect of our work.

Our Collaborative Spirit

We take pride in the collaborative spirit that runs through our entire team. By working closely together and with our clients, we ensure that we deliver exceptional quality and value in all our endeavours.

Our Training Solutions

At Effective Human Intervention, we understand that every client's training needs are unique. To cater to diverse preferences and requirements, we offer a range of flexible training solutions to ensure that you receive education in the most convenient and effective way.

In-House/Onsite Training

Our In-House or Onsite Training is a personalized solution for organizations looking to provide tailored training to their employees at their own facilities. We bring our expert trainers to your location, minimizing disruptions to your daily operations and enabling your team to learn in their familiar work environment. This option is ideal for companies seeking customized training programs and hands-on learning experiences.

Public Workshops

Our Public Workshops offer a hybrid approach, combining the advantages of in-person and virtual learning. These workshops are held at select locations, providing a classroom environment that encourages interaction and networking. Participants have the opportunity to engage with industry experts and peers. Additionally, we offer select courses in a virtual format, allowing attendees to join remotely and receive the same high-quality instruction from the comfort of their own location. This versatile approach provides flexibility while maintaining the benefits of face-to-face instruction.

Virtual Training

Our Virtual Training option brings the classroom experience to your computer or mobile device. This convenient and cost-effective solution allows participants to access our courses from anywhere in the world, eliminating the need for travel. Through live virtual sessions, participants can interact with expert facilitators, access course materials, and engage with fellow learners in a collaborative online environment. Virtual training is an excellent choice for those seeking flexibility and the ability to learn at their own pace.

Whichever training solution you choose, you can expect the same commitment to excellence and quality that defines Effective Human Intervention. Our training options are designed to meet the diverse needs of our clients and ensure that they can access the knowledge and skills they require in the way that suits them best.

Global Reach

Effective Human Intervention has established a strong global presence, proudly serving clients not only in South Africa but also in several other countries across the African continent. Our commitment to providing high-quality training solutions extends beyond borders, allowing us to reach clients in diverse locations, including:
